2011 W.I.N.G.S. Golf Outing

Greetings from W.I.N.G.S. Foundation Inc.
Fall Sports Season 2010

The W.I.N.G.S. foundation will work hard to help our youngsters find their path to significance, in a world that can send our children mixed and confusing messages. W.I.N.G.S. wants to continue to promote kindness and the pay-it-forward attitude through character education and team building activities as well as helping those individuals that financially need help in reaching their dreams.

W.I.N.G.S. is involved with 8 school districts (Osceola, Frederic, Mondovi, Luck, SCF, Webster, Unity, St Croix Central).

From the depth of the soul of W.I.N.G.S. and from the children and families that have been touched. Thank You

W.I.N.G.S. is very motivated to work with you and your school district in providing any help we can with promoting; kindness, team building activities, and of course help with students and or athletes with financial concerns: financial issues that are preventing them from reaching their dreams.

The W.I.N.G.S. foundation also believes that as educators and coaches you have the power to positively change and influence lives like no other. We are willing to speak with your coaches or teaching staff or students and motivate them, encourage them, reaffirm for them the important role they play in this world.

Please keep us in mind and let W.I.N.G.S. help you

*On September 16 Cathy, Kelli, Chase and myself traveled to Madison to receive the "Friend of Education Award" from Dr. Tony Evers the Wisconsin State Superintendent. This was a very humbling experience, one that will not be forgotten. This award goes out to all the Great people that have supported the W.I.N.G.S. Foundation and we hope to continue to help as many students, teams, individuals as we can.
Thanks for your support.*

W.I.N.G.S. information as of August 2010

As I think about the last golf outing and the events of this year, I wonder how to put my heart on this page and have you feel all the wonderful people, events, and happenings that have taken place. I recently heard a speaker talk about helping take his organization to a better place. One of the strategies he spoke of was to surround yourself with "fantastic people" on your team. These people have Compassion, Character, Competency and fit the Culture. As I think about these characteristics of "fantastic people" I think about all the people that have helped the W.I.N.G.S. Foundation continue to grow and to reach out to others. Thanks to all of you that have contributed.

The golf outing this year took place on Monday, June 14. We had 124 golfers and served about 165 meals. None of this could have happened without the help of 25 "fantastic" volunteers. The weather started out rainy, but after about 8 holes the rain stopped and golf was enjoyed by all. Thank you golfers...

In 2009 W.I.N.G.S. distributed \$7,611.63 to those in need and as of August 2010 we've distributed \$6,894.24 and we couldn't do this without you.

As one young man that was touched by W.I.N.G.S. wrote:

"I feel that I am now a lot closer to achieving my dream. Without W.I.N.G.S. it wouldn't be possible. I will also never forget about your heart and kindness. Thanks for everything! It meant a lot to me and I have truly been blessed."

*Do all good you can,
By all the means you can,
In all the ways you can, ...
To all the people you can,
For as long as you ever can.*
