

W.I.N.G.S.

4th edition - Fall November, 2008

Whatever Individual Needs Gear or Supplies

W.I.N.G.S. is an organization started to remember our son, brother and friend Mark Miles, who died on 6-11-06 at 18 years of age. Mark was a very compassionate young man and we want to continue to pass that compassion on to others.

On June 16 the second annual golf outing was held to benefit W.I.N.G.S. Through the help of golfers, volunteers and donations we were able to raise \$9,000.00 W.I.N.G.S. thanks all of you. W.I.N.G.S. also wants to express their sincere thanks to Paradise Landing golf outing donation to W.I.N.G.S. of \$4,500.00.

For those of you who have contributed to W.I.N.G.S. by donating your time or financially donating we would like to thank you. You should be very proud of what you are doing by touching the lives of these children. These young men and women are so appreciative.

W.I.N.G.S. was created to give children their wings to reach their dreams. We wish to thank all who have participated in the golf outing or donated their time or dollars to this cause. We feel Mark would be completely supportive and happy with helping students to be able to participate to the best of their ability.
