

Mark your Calendar: June 14th,  
2010 W.I.N.G.S. Golf Outing

Greetings from W.I.N.G.S. Foundation Inc.  
Fall Sports Season 2009

To all of you that supported the W.I.N.G.S. Foundation this past June 15, 2009 at our 3rd annual golf outing: we THANK YOU. With the awesome help of the 43 volunteers, the Luck Golf Course, golfers from 20 different communities and all else involved, you made the outing a success.

The W.I.N.G.S. foundation will work hard to help our youngsters find their path to significance, in a world that can send our children mixed and confusing messages. W.I.N.G.S. wants to continue to promote kindness and the pay-it-forward attitude through character education and team building activities as well as helping those individuals that financially need help in reaching their dreams.

W.I.N.G.S. is involved with 8 school districts ( Osceola, Frederic, Mondovi, Luck, SCF, Webster, Unity, St Croix Central) and as of September 2009 has contributed to 75 events touching some 800 children and families to a total of over \$25,000.00.

**From the depth of the soul of W.I.N.G.S. and from the children and families that have been touched. Thank You**

W.I.N.G.S. is very motivated to work with you and your school district in providing any help we can with promoting; kindness, team building activities, and of course help with students and or athletes with financial concerns: financial issues that are preventing them from reaching their dreams.

The W.I.N.G.S. foundation also believes that as educators and coaches you have the power to positively change and influence lives like no other. We are willing to speak with your coaches or teaching staff or students and motivate them, encourage them, reaffirm for them the important role they play in this world.

Please keep us in mind and let W.I.N.G.S. help you
